Table with columns for dates (日) and time/depth (時分 cm). It lists tidal data for high tide (満潮) and low tide (干潮) for each month from July to December. Includes moon phase indicators like 朔 (New Moon), 望 (Full Moon), 上弦 (First Quarter), and 下弦 (Third Quarter). Values are presented in two columns per phase, likely representing different locations or measurements.

潮位表基準面の零点: 平均海面下 17.0 (cm)
