

南大東
MINAMIDAITO

2020 年

Table with columns: 日 (Day), 時分 (Time), cm (Height), 満潮 (High Tide), 干潮 (Low Tide), and 望 (Moon Phase). It provides tide data for 2020 across the months of July, August, September, October, and December. The table is organized into two main sections, one for 満潮 and one for 干潮, each with its own set of columns for time and height. Moon phases like 望, 上弦, and 下弦 are indicated throughout the data.

潮位表基準面の零点: 平均海面下 98.0 (cm)
