2025 年

Table with columns for month, day, and tide type (満潮, 干潮). Each tide entry includes time (時分), height (cm), and a corresponding value in a second column. The table is organized into two main sections: the left side for the first half of the month and the right side for the second half, with moon phase labels (e.g., 上弦, 望, 下弦) interspersed.

潮位表基準面の零点: 平均海面下 88.0 (cm)
